 18 **DECLARATION OF KIMBERLY A.**
KRALOWEC IN SUPPORT OF MOTION
FOR ATTORNEYS' FEES AND
REIMBURSEMENT OF EXPENSES

1 I, Kimberly A. Kralowec, declare and state as follows:

2 1. I am the Principal of the law firm of Kralowec Law, P.C. and its predecessor,
3 The Kralowec Law Group (hereafter collectively “Kralowec Law, P.C.”). I submit this
4 declaration in support of Plaintiffs’ application for an award of attorneys’ fees in connection
5 with the services rendered in this litigation. I make this declaration based on my own personal
6 knowledge, and if called as a witness, I could and would competently testify to the matters
7 stated herein.

8 2. My firm has served as co-counsel to Plaintiff Rachel Diller during the course
9 of this litigation. The background and experience of Kralowec Law, P.C. and its attorneys are
10 summarized in the firm resume attached hereto as Exhibit 1.

11 3. Kralowec Law, P.C. has prosecuted this litigation solely on a contingent-fee
12 basis, and has been at risk that it would not receive any compensation for prosecuting claims
13 against the Defendants. While Kralowec Law, P.C. devoted its time and resources to this
14 matter, it necessarily had to take time and resources away from some other pending matters.

15 4. Co-Lead Counsel formally associated Kralowec Law, P.C. as co-counsel of
16 record in this matter in March 2010. From that time through the present, Kralowec Law, P.C.
17 remained ready and available to take on assignments from Co-Lead Counsel as they arose,
18 including assignments related to pleadings and motions. In approximately June 2011, I was
19 asked by Co-Lead Counsel to review and provide substantive comments on a lengthy draft of
20 the first amended consolidated class action complaint. I personally performed this work and
21 provided detailed written comments to Co-Lead Counsel. In order to remain ready to take on
22 such assignments, my firm remained generally abreast of the developments in the case,
23 absorbed all communications from Co-Lead Counsel, and complied with any directions
24 received from Co-Lead Counsel.

25 5. Attached hereto as Exhibit 2 is my firm’s total hours and lodestar, computed at
26 historical rates, for the period of February 21, 2015 through May 16, 2018. The total number
27 of hours spent by Kralowec Law, P.C. during this period of time was 7.9, with a
28

1 corresponding lodestar of \$3,943.00. This summary was prepared from contemporaneous,
2 daily time records regularly prepared and maintained by my firm. The lodestar amount
3 reflected in Exhibit 2 is for work assigned and/or approved by Co-Lead Counsel, and was
4 performed by professional staff at my law firm for the benefit of the Class.

5 6. The hourly rates for the attorneys and professional support staff in my firm
6 included in Exhibit 2 are the usual and customary hourly rates charged by Kralowec Law,
7 P.C. during that time frame.

8 7. During the period of February 21, 2015 through May 16, 2018, my firm
9 expended a total of \$24.90 in unreimbursed costs and expenses in connection with the
10 prosecution of this litigation. These costs and expenses are broken down in the chart attached
11 hereto as Exhibit 3. They were incurred on behalf of Direct Purchaser Plaintiffs by my firm
12 on a contingent basis, and have not been reimbursed. The expenses incurred in this action are
13 reflected on the books and records of my firm. These books and records are prepared from
14 expense vouchers, check records and other source materials and represent an accurate
15 recordation of the expenses incurred.

16 8. I have reviewed the time and expenses reported by my firm in this case which
17 are included in this declaration, and I affirm that they are true and accurate.

18 I declare under penalty of perjury under the laws of the United States of America that
19 the forgoing is true and correct.

20 Executed this 31st day of July, 2018 at San Francisco, California.

MARIO N. ALIOTO

Curriculum Vitae

Mr. Alioto is a graduate of the University of Santa Clara with a B.A. degree, cum laude, in Economics. He is also a graduate of the University of San Francisco School of Law with a J.D. degree, cum laude.

Upon graduation from law school, Mr. Alioto clerked for the late Honorable Ira I. Brown, Jr., Judge of the San Francisco Superior Court. Thereafter, he was employed in the Law Offices of Joseph L. Alioto working on complex litigation, primarily plaintiff's antitrust cases. Mr. Alioto is admitted to the State Bar of California, various Federal District Courts, various Courts of Appeal, and the Supreme Court of the United States.

Mr. Alioto worked with the Law Offices of Joseph L. Alioto for 10 years. He has continued to handle complex litigation and antitrust cases as well as unfair competition and consumer protection cases and class actions in state and federal courts throughout the country. Mr. Alioto has represented both plaintiffs and defendants in these cases. He has had extensive trial court and appellate court experience as well as experience in arbitration proceedings.

Mr. Alioto was one of the first lawyers in California to successfully prosecute indirect purchaser antitrust class actions under the Cartwright Act and the Unfair Competition Act. He was counsel in the landmark decision Crown Oil v. Superior Court, 177 Cal. App. 3d 604 (1986), which upheld the right of indirect purchasers to sue under the Cartwright Act after their claims had been barred under federal law by the decision in Illinois Brick v. Illinois, 431 U.S. 720 (1977). As a result of the Crown Oil decision, California consumers and businesses have recovered millions of dollars in relief which would otherwise have been barred under Illinois Brick.

In over 40 years of practice in this area, Mr. Alioto has handled approximately 50 antitrust cases. He has served in leadership roles in most of these cases and has been Lead or Liaison Counsel in many of them. This experience has enabled Mr. Alioto to prosecute these cases efficiently and

achieve favorable settlements without unnecessary demands on judicial resources.

Mr. Alioto has handled these cases in collaboration with other law firms when circumstances warranted this, and has also demonstrated the ability to handle these cases effectively without the assistance of a consortium of other law firms. Mr. Alioto has been involved in a number of jury trials in state and federal court, including the trial of antitrust cases as the lead trial lawyer. He has handled approximately 30 appeals as well.

Mr. Alioto obtained relief of approximately \$50 million for California consumers on account of improper automobile repossession practices by two large finance companies. This result was obtained primarily by Mr. Alioto and his firm Trump, Alioto, Trump & Prescott, LLP, with the assistance of one other firm. In approving the settlement in that matter, the Honorable Daniel M. Hanlon (Ret.) noted that Trump, Alioto, Trump & Prescott, LLP had handled the litigation “effectively and efficiently” and that counsel was “experienced and competent” and had obtained an “excellent settlement.”

Similarly, in granting class certification and appointing Trump, Alioto, Trump & Prescott, LLP Co-Lead Counsel for the class in the indirect purchaser OSB Antitrust Litigation, Case No. 06-00826-PSD, Judge Paul S. Diamond of the Eastern District of Pennsylvania stated that Trump, Alioto, Trump & Prescott, LLP “are experienced, class action litigators” and “have vigorously and capably prosecuted this extremely demanding case, and I am satisfied that they will continue to do so.”

Mr. Alioto was selected to serve as sole interim lead counsel for the indirect purchaser plaintiffs by the Honorable Samuel Conti of the United States District Court of the Northern District of California in *In re Cathode Ray Tube (CRT) Antitrust Litigation*, 2008 WL 2024957, *2 (N.D. Cal. May 9, 2008) (“CRT”). This appointment was affirmed and TATP was appointed as sole lead counsel when the Court granted certification of 22 statewide classes of indirect purchasers under the antitrust and consumer protection statutes of their respective states. *See In re Cathode Ray Tube (CRT) Antitrust Litig.*, 2013 WL 5391159 (N.D. Cal. Sept. 19, 2013).

Mr. Alioto was also selected by the Honorable Robert W. Gettleman of the United States District Court for the Northern District of Illinois to serve as interim co-lead counsel for the indirect purchaser plaintiffs in *In Re:*

Aftermarket Filters Antitrust Litigation, Master File No. 1:08-cv-4883-RWG, MDL 1957 (N.D. Ill. Oct. 7, 2008) (“*Filters*”).

In 2015, Mr. Alioto concluded a series of settlements in the *CRT* case. These settlements total \$576,750,000, the second largest indirect purchaser settlement in history. In order to obtain these settlements, Mr. Alioto coordinated the efforts of a large number of plaintiffs, including 22 classes of indirect purchasers, a nationwide class of direct purchasers, various large corporate plaintiffs, and various state attorneys general, and also worked in tandem with the United States Department of Justice.

Below is a list of representative complex litigation cases Mr. Alioto has been and is currently involved in.

Named a Northern California Rising Star in 2017 and 2018 as a top-rated antitrust litigation attorney by Super Lawyers, a list issued by Thomson Reuters.

Received Honorable Mention in 2013 from the American Antitrust Institute (AAI) for "outstanding antitrust litigation achievement in private law practice" along with the other members of the Zelle litigation team for work in *In re TFT-LCD Antitrust Litigation* at AAI's first annual Antitrust Enforcement Awards.

Antitrust and Unfair Competition

Our approach to antitrust matters is decidedly different from other firms because we commonly represent clients – multi-national corporations, small businesses and consumers – on either side of the docket. We are selective in the litigation we pursue and consistently position that litigation for success in the courtroom. We have found this approach yields the best results for our clients, whether at the settlement table or at trial. We carefully consider the objectives and economic realities of each client, looking for the best way to achieve an outcome that meets those needs.

The experience and track record of Zelle attorneys in antitrust is recognized in courts across the nation every day. We have recovered billions of dollars for our clients who are plaintiffs, and we have successfully mitigated other clients' most significant exposures. We have substantial experience not just settling antitrust matters, but trying them. Martindale-Hubbell consistently ranks Zelle as one of the most active antitrust firms in the United States. Our lawyers are often named to lead counsel positions in class action and multi-district matters, but we are also highly effective in representing antitrust defendants and opt-out plaintiffs.

Zelle recognizes that many antitrust matters are increasingly international in scope. We routinely work with clients and foreign counsel in the **United Kingdom, European Union, Canada** and **China** to coordinate and fully protect our clients' legal and business interests in a global context.

Because of the breadth and depth of our litigation experience, clients often call on us in counseling situations – including consultation on antitrust compliance programs, mergers and acquisitions, and the formation of joint ventures.

Antitrust Cases

Examples of Antitrust Cases

***In re LIBOR-Based Financial Instruments Antitrust Litigation*, MDL No. 2262, No. 1:11-md-02262 (S.D.N.Y.).** Representing Freddie Mac and the FDIC as Receiver for 39 Closed Banks and serves as liaison counsel for more than two dozen DAPs (represented by, among others, Lief Cabraser, Keller Rohrback, and Quinn Emanuel). Freddie Mac and the FDIC allege, among other things, that defendants' horizontal conspiracy reduced product quality in the market for interest-rate benchmarks.

***United HealthCare Services, Inc. v. Cephalon, Inc., et al.*, No. 2:17-cv-00555 (E.D. Pa.).** Representing United HealthCare Services, Inc. in an individual antitrust matter against the makers of the branded pharmaceutical drug Provigil and its generic equivalents. The suit alleges a successful pay-for-delay scheme that kept lower-priced generics off the market for several years, allowing the brand manufacturer to continue charging inflated monopoly prices that caused United HealthCare Services, Inc. substantial damages.

***In re German Automotive Manufacturers Antitrust Litigation*, MDL No. 2796, No. 3:17-md-02796 (N.D. Cal.).** Appointed by the Court to the Plaintiffs' Steering Committee and representing putative class of direct purchaser plaintiffs (dealers) of luxury German automobiles.

***In re Vitamins Antitrust Litigation*, MDL No. 1285, Misc. No. 99-197 (D.D.C.).** Represented more than 150 direct action plaintiffs, including Kraft Foods and GNC, alleging a 15-year international cartel covering more than a dozen vitamins. The case involved German Defendants BASF, Degussa, and Merck. Recoveries exceeded \$2 billion. Served as liaison counsel for DAPs.

***In re TFT-LCD (Flat Panel) Antitrust Litigation*, MDL No. 1827, No. 3:07-md-01827 (N.D. Cal.).** Served as court-appointed co-lead counsel for end-user consumers and businesses that purchased TVs, computer monitors, and laptop computers containing LCD screens alleged to have been the subject of one of the largest antitrust cartels in history. All-cash settlements

totaling nearly \$1.1 billion were reached with the defendants just before trial, leading to one of the largest consumer antitrust recoveries ever obtained.

In re Cathode Ray Tube (CRT) Antitrust Litigation, MDL No. 1917, No. 3:07-cv-05944 (N.D. Cal.). Represented plaintiffs in this antitrust class action on behalf of consumers and businesses in 22 states that bought television and computer monitor products containing Cathode Ray Tubes made by electronics manufacturing giants Samsung, LG, Panasonic, Hitachi, Toshiba and others. Zelle attorneys took the lead on researching, briefing and arguing plaintiffs' class certification motion, which was granted and certified 22 statewide damages classes covering an 11-year class period. Zelle's attorneys also handled all of the work with the economic experts and defeated the motion to exclude the expert's testimony. Plaintiffs ultimately secured a \$576.75 million all-cash settlement for the end-user plaintiffs.

ZF Meritor LLC v. Eaton Corp., No. 06-623-SLR (D. Del.). Represented a manufacturer of heavy-duty transmissions in a case alleging the dominant producer excluded it from the relevant market. The case went to trial and resulted in a liability verdict for violations of Sections 1, 2, and 3 of the Sherman Act. The Third Circuit upheld the verdict and the case settled for \$500 million prior to the damages trial.

In re Urethane Antitrust Litigation, MDL No. 1616, No. 2:08-cv-05169 (D.N.J.). Represented 11 plaintiff families in an international price-fixing case involving three chemicals. The case involved German Defendants BASF and Bayer. Despite a lack of direct evidence, successfully defeated summary judgment motions challenging the existence of a conspiracy and its duration (the parallel class action alleged a shorter conspiracy period). Defeated three *Daubert* motions and handled all experts at trial. Defendant Dow settled during the defense case for \$400 million.

In re Methionine Antitrust Litigation, MDL No. 1311, No. 3:00-md-01311 (N.D. Cal.). Represented, as liaison counsel, more than three dozen DAPs, including Tyson Foods, alleging an international cartel involving, *inter alia*, German Defendant Degussa AG. Recoveries exceed \$400 million.

In re Linerboard Antitrust Litigation, MDL No. 1261, No. CIV.A. 98-5055

(E.D. Pa.). Represented more than 50 Fortune 500 companies, including names such as PepsiCo and Coca-Cola, in a conspiracy among containerboard producers to take “market downtime” to restrict output and cause price increases. Successfully defeated summary judgment motions despite the lack of direct evidence. Served as liaison counsel for direct action plaintiffs. Recoveries exceeded \$200 million.

In re Lithium Ion Batteries Antitrust Litigation, MDL No. 2420, No. 4:13-md-02420 (N.D. Cal.). Appointed liaison counsel for a proposed class of direct purchasers of lithium-ion batteries, the dominant form of rechargeable battery found in a variety of consumer electronics. The defendant manufacturers were alleged to have formed a cartel to fix the prices of certain lithium-ion battery cells, in violation of federal antitrust law. The case settled for nearly \$140 million in cash to the direct purchaser class.

In re Automotive Parts Antitrust Litigation, MDL No. 2311, No. 12-md-02311 (E.D. Mich.). Serving on the Plaintiffs’ Executive Committee for the End-Payor Plaintiffs in this antitrust class action on behalf of consumers and businesses that bought vehicles containing auto parts systems made by defendant auto parts manufacturers. These cases involve alleged price fixing and bid rigging conspiracies pertaining to 28 different part systems and over 30 defendant company groups; it is one of the largest criminal antitrust investigations in the history of the U.S. Department of Justice. Zelle attorneys were tasked to handle the economic experts for the plaintiffs. Settlements to date are currently over \$1 billion.

Smokeless Tobacco Antitrust Litigation - Smokeless Tobacco Cases I-IV, J.C.C.P. Nos. 4250, 4258, 4259 & 4262 (Cal. Super. Ct., San Francisco Cty.). Served as a member of Plaintiffs’ Executive Committee in this action on behalf of a class of California indirect purchasers of moist snuff products. Plaintiffs alleged that U.S. Smokeless Tobacco monopolized the moist snuff market and engaged in restrictive and exclusionary acts in violation of California state antitrust laws. The case settled for \$96 million. Under the settlement, class member claimants received cash payments of up to \$585. This settlement was one of the largest consumer class action settlements in California state court history, and provided a substantially better recovery to class members than court-approved settlements in related actions against U.S.

Smokeless in Wisconsin, Michigan, Minnesota, Kansas, and a 13-state consolidated settlement in Tennessee. Those cases all settled for coupons for U.S. Smokeless moist snuff products rather than for cash payments to class members.

In re Static Random Access Memory (SRAM) Antitrust Litigation, MDL No. 1819, No. 4:07-cv-01819 (N.D. Cal.). Appointed as lead counsel for 25 litigated indirect-purchaser classes with settlements totaling \$41.3 million.

Novell Inc. v. Microsoft Corp., No. 2:04-cv-01045 (D. Utah). Represented the owners of WordPerfect in a long-running case alleging monopolization of the market for PC operating systems. At trial, the jury split 11-1 in favor of liability. The trial judge granted Microsoft's JMOL, which was upheld by the 10th Circuit (Gorsuch J.).

In re Marine Hose Antitrust Litigation, MDL No. 1888, No. 1:08-md-01888 (S.D. Fla.). Represented, as liaison counsel, Defendant Dunlop Oil & Marine in an international cartel case.

In re Packaged Seafood Products Antitrust Litigation, MDL No. 2670, No. 3:15-md-02670 (S.D. Cal.). Representing class representatives and a putative plaintiff class of indirect, end-payor purchasers of packaged seafood products, including canned tuna, in this price-fixing action against the major manufacturers of packaged seafood products, including StarKist, Chicken of the Sea, and Bumble Bee and their affiliated entities.

Air Cargo Antitrust Litigation – Between Emerald Supplies Limited & Others and British Airways Plc, Claim No. HC08C2648 (High Court of Justice, Chancery Div., London). Representing a major international engineering and manufacturing company, shipping goods by air freight all over the world, in an antitrust lawsuit filed in the United Kingdom to recover the overcharges paid by the company as a result of a conspiracy by several of the

world's biggest airlines to fix the prices for international air cargo shipping services.

Diamonds - Sullivan, et al. v. DB Investments, Inc., et al., No.

2:04-cv-02819 (D.N.J.). Represented plaintiffs in a class action lawsuit brought on behalf of purchasers of diamonds and diamond jewelry in the United States, alleging that the De Beers group of companies unlawfully monopolized the gem diamonds market. The court approved a class action settlement on April 14, 2008. The settlement created a \$295 million Settlement Fund for resellers and consumers who purchased diamonds from January 1, 1994 through March 31, 2006. In addition, as part of the settlement, De Beers agreed to a stipulated injunction, which provides that De Beers will abide by federal and state antitrust laws, will not engage in certain specific conduct to control prices or restrict supply, and will submit to the court's jurisdiction for the purpose of enforcement of the injunction. The settlement was upheld by the Third Circuit's December 20, 2011 en banc decision. On May 21, 2012, the U.S. Supreme Court denied the objectors' final petition for review.

Microsoft Antitrust Litigation - California Microsoft Cases, J.C.C.P. No. 4106 (Cal. Super. Ct., San Francisco Cty.); Microsoft Antitrust Litigation, No. 00-5994 (Minn. Dist. Ct., Hennepin Cty.); Comes v. Microsoft Corp., No. CL 82311 (Iowa Dist. Ct., Polk Cty.); Microsoft Antitrust Litigation, No. 05-CV-010927 (Wis. Dist. Ct., Milwaukee Cty.). Brought indirect-purchaser antitrust class actions in state courts in California, Minnesota, Iowa and Wisconsin, alleging that Microsoft illegally maintained a monopoly in the market for personal computer operating systems, and word processing and spreadsheet software. Zelle was co-lead counsel in the Minnesota and Iowa cases, both of which were settled in the middle of trial. We were liaison counsel and chair of the Executive Committee in the California case, and principal counsel in Wisconsin. These cases collectively settled for nearly \$1.7 billion, a substantial portion of which went to provide computers and related products to lower-income school districts, in addition to compensating class members. These were the largest settlements of private state court antitrust cases in history.

DRAM Antitrust Litigation, MDL No. 1486, No. M:02-cv-01486 (N.D. Cal.). Served as a member of plaintiffs' Executive Committee in a nationwide class

action brought by indirect purchasers of DRAM. Plaintiffs alleged that DRAM manufacturers conspired to fix prices from April 1, 1999 through December 31, 2002. The case settled for almost \$310 million in cash, plus injunctive relief.

***Natural Gas Antitrust Cases - In re Western States Wholesale Natural Gas Antitrust Litigation*, MDL No. 1566, No. 2:03-cv-01431 (D. Nev.); *California Natural Gas Antitrust Litigation*, J.C.C.P. Nos. 4221, 4224, 4226 & 4228 (Cal. Super. Ct., San Diego Cty.)**. Appointed co-lead counsel in the federal class action and served as a member of the Executive Committee in the state class action against marketers of natural gas in California, alleging violations of the Sherman Act, California Cartwright Act and the Unfair Competition Act. The actions were brought on behalf of persons and entities in California that indirectly and directly purchased natural gas between January 1, 2000 and December 31, 2001, i.e., during the California Energy Crisis. The actions alleged that, among other things, the defendants and their co-conspirators engaged in a variety of anticompetitive practices which raised interstate natural gas transportation prices, the bundled price of natural gas, spot natural gas prices, and natural gas market basis swap derivative settlement amounts in and for California. The federal class action ended with settlements totaling approximately \$26 million, while the state class action resulted in settlements totaling almost \$165 million.

***Credit/Debit Card Tying Cases*, J.C.C.P. No. 4335, No. CJC-03-004335 (Cal. Super. Ct., San Francisco Cty.)**. Served as lead counsel for a class of California consumers of products and services from retail businesses that accepted and/or issued Visa and MasterCard payment cards, alleging that defendants' violations of the California state antitrust and unfair competition laws resulted in higher prices for consumers. In April 2013, the Superior Court granted final approval to settlements totaling \$31 million in cash with defendants.
